Foz do Iguaçu — Halal Capital of Brazil

Foz do Iguaçu is home to one of the largest Muslim communities in Brazil, with a strong Arab presence since the early twentieth century. The city offers complete infrastructure for Muslim travelers — from the imposing Omar Ibn Al-Khattab Mosque to certified restaurants, hotels with qibla direction, and guides in Arabic.

With the world-famous **Iguaçu Falls** just 20 minutes from the mosque, Foz has become the perfect destination to combine spirituality, nature, and Islamic culture.
